

## Northwest Texas Area 66 Guidelines

### PREAMBLE

The Northwest Texas Area Assembly of Alcoholics Anonymous is a service body, striving to be the conscience and voice of the area's A.A. groups.

The Area Assembly encourages all Northwest Texas Area A.A. groups to participate in the business of the assembly and support the assembly in its efforts to cooperate with the A.A. General Service Office, A.A. World Services and The Grapevine Incorporated through the General Service Structure of Alcoholics Anonymous.

The primary purpose of the Northwest Texas Area Assembly service guidelines is to complement The A.A. Service Manual in items that are particular to our Area Service Structure. The guidelines which follow are neither rules nor laws and are not intended to replace The A.A. Service Manual but are suggestions to aid the Northwest Texas Area Assembly in the conduct of its business.

### PREFACE

The guidelines draw upon the wisdom and experience of previous assemblies and should be given due consideration for that reason: however, they are not intended to obstruct the business of future assemblies as new problems requiring new solutions arise. It is hoped that the important decisions of the assembly will be reached by discussion, vote, and whenever possible, by substantial unanimity, realizing that such decisions allow the assembly to speak with an authority and confidence that a simple majority might never provide. In conducting its business, the assembly should be ever mindful that for its purpose there is but one ultimate authority - a loving God as He may express Himself through the group conscience.
