Welcoming the New Year

What a year 2008 was. Lots of sobriety in service work.

I received a copy of the Alternate DCM's report for District 3 and I was asked if it could be shared with everyone. It is filled with good stuff and with permission from the one who wrote it I decided it was just the thing to kick off the New Year with. Hope you too will enjoy it as much as I did.

Alternate D.C.M. Report

Dated: January 4, 2009

I hope everyone had a good holiday season and that your New year has began well. I would like to take this opportunity to thank the members of the District Committee, the Standing Committee Chairs, the G.S.R.'s, and all the people in our District that helped this Committee to be viable part of Alcoholics Anonymous in 2008.

The Third Legacy of Service affords us the opportunity to insure that A.A. will be here for the suffering alcoholic in the future, and that is no small responsibility. I hope that we can work together this year with as much commitment as is necessary to insure that "our primary purpose" as stated in our 5th tradition continues.

The last year of a service rotation sometimes can become a little boring if we let it. Most times this happens because we have had changes occur in our life. Sometimes big changes like getting married, or having a new addition to our family, or getting that promotion or new job. The longer we stay sober the more responsibility we receive and the greater the gifts are that we get. This happens for us because someone made sure that A.A.

maintained integrity and was available to us. Now this responsibility has been passed to us to help insure A.A.'s future. What we do with this opportunity will not only determine our future but the future of those to come. Responsibility comes with accountability and it is important that we do our best.

As alternate DCM I am available to work with any committee, GSR or AA member in fulfilling A.A.'s Third Legacy.

Good Wishes and God's Blessings in the New Year.

Respectfully Submitted

Ronnie A.
